

**RESOLUTION NO. 2021/2022-72 AM1**

**A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF CLAY COUNTY, FLORIDA, AMENDING RESOLUTION NO. 2021/2022-72 WHICH ADOPTED THE CLAY COUNTY BOARD OF COUNTY COMMISSIONERS SCHEDULE OF FEES AND SERVICES FOR FISCAL YEAR 2022/2023 TO UPDATE FEES AND SERVICES FOR ANIMAL SERVICES, BUILDING, FAIRGROUNDS, FIRE INSPECTIONS, AND PLANNING AND ZONING; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, the Clay County Board of County Commissioners (the Board) regulates various activities related to health, safety and welfare, resulting in the provision of services by County departments; and

**WHEREAS**, the Board imposes fees for provision of these services, generally setting rates at levels sufficient to fund the full cost of providing the services funded from such fees; and

**WHEREAS**, the Board reviewed and updated the fees and services for fiscal year 2022/2023 through the annual budget process on September 13, 2022, adopting Resolution No. 2021/2022-72; and

**WHEREAS**, the need has arisen to update the adopted FY 2022/2023 Schedule of Fees and Services for fees and services related to Animal Services, Building, Fairgrounds, Fire Inspections, and Planning and Zoning; and

**WHEREAS**, the Board desires to approve changes to those fees and services that will become effective on January 11, 2023.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CLAY COUNTY, FLORIDA:**

**Section 1. FY 2022/2023 Schedule of Fees and Services.** The Board hereby adopts the Clay County Board of County Commissioners FY 2022/2023 Schedule of Fees and Services, set forth in Appendix A, which is attached hereto and made a part hereof by reference. These fees shall be collected from all persons or entities requesting the enumerated services, provided however, that all or part of these fees may be waived by the County Manager when in his judgement the circumstances so warrant. Proceeds of the fees will be applied to the cost of providing the enumerated services for which the fees are collected. Currently, a subsidy from general revenues is needed to provide adequate levels of service in these areas. The Board may, by future resolution, adjust the fees to ensure that the full cost of providing the services is recovered through the collection of fees.

**Section 2. CONFLICTS.** The fees adopted pursuant to this Resolution supersede any fees previously adopted by the Board for the same services. Any resolution, or part thereof, in conflict with this Resolution, or any part hereof, is hereby repealed to the extent of such conflict.

**Section 3. SEVERABILITY.** If any clause, section or provision of this Resolution shall be declared unconstitutional or invalid for any reason or cause, the remaining portion of this Resolution shall be in full force and effect and be valid as if such invalid portion thereof had not been incorporated herein.

**Section 4. EFFECTIVE DATE.** This Resolution shall take effect on January 11, 2023.

**DULY ADOPTED** by the Board of County Commissioners of Clay County, Florida, this 10th day of January, 2023.

If an owner or keeper does not wish to spay or neuter their animal, then before being returned to the owner or keeper, the owner or keeper must pay a five hundred dollar (\$500.00) fee to the County.

If an animal, whose owner and keeper has paid the five hundred dollars (\$500.00) fee for not agreeing to spay or neuter their animal, is impounded a second time for being allowed to be at large and is not at that time sterilized, then the owner and keeper, in addition to the costs of sterilization will have to pay a five hundred dollar (\$500.00) fee to the County in order to reclaim the animal.

If an animal, whose owner and keeper has agreed to have it sterilized under these provisions, is impounded a second time for being allowed to be at large and is not at that time sterilized, then the owner and keeper, in addition to the costs of sterilization will have to pay a five hundred dollar (\$500.00) fee to the County in order to reclaim the animal.

## BUILDING

**GOAL:** The Clay County Building Division's mission is to serve customers with professionalism and efficiency through licensing, permitting and inspections to ensure the health, safety and welfare of the community. Licensing protects citizens and contractors. Permitting protects citizens against unlicensed contractors and prevents misplacement of structures on properties. Inspections are performed in stages to ensure compliance with the Florida Building Code. All deficiencies are noted and re-inspected to ensure work is done to meet the code before a certificate of occupancy is issued. The Building Division is proud of providing fast and efficient service to customers throughout the community.
