## Scope of Work

### Purpose

The Clay County Board of County Commissioners (County) is seeking a qualified Supplier to provide and deliver Limerock Base Material on an as needed basis, to specified locations throughout the County. Locations are listed on Attachment I.

### Scope

Supply of Limerock Base Material shall be furnished per the following specifications:

- A. Requirements of Section 911 of the Florida Department of Transportation (FDOT) Standard Specifications for Road and Bridge Construction, shall be met, following the latest edition including all supplements or amendments, as it pertains to Limerock Base.
- B. Limerock Base Material shall be supplied by a reputable company engaged in the full time supply of this and other related materials.
- C. The successful Supplier shall provide the County "Proof of" Certificate that the material supplied and delivered meets all specifications as laid down in Section 911 of the FDOT Standard Specifications for the Road and Bridge Construction, latest edition.
- D. Limerock Base will be ordered and delivered in twenty-five (25) tons of one or more units. Supplier must be capable of delivering five hundred tons of Limerock Base within a twenty-four (24) hour period to any of the zoned locations specified in Attachment I.
- E. Per FDOT graduation requirements, at least 97% of the Limerock Base Material shall pass a 3-1/2 inch sieve and at least 97% of the Limerock Stabilized Base shall pass a 1-1/2 inch sieve.
- F. All bidders shall quote "per ton" delivery prices on Limerock Base and Limerock Stabilized Base for the following location zones (Map of zones may be found in Attachment I):
  1. Orange Park
  2. Green Cove Springs
  3. Middelburg
  4. Keystone Heights

### Work Hours

Workdays and hours – Normal work hours of Monday through Friday, 7:30 a.m. to 3:30 p.m. unless approved by the County Project Manager or designee.

Any work performed outside of the normal County business hours will require prior County approval and payment to the County for all expenses incurred by the County may be required.

### Compliance with Occupation Safety and Health Act

The Supplier warrants that the product(s) and/or service(s) supplied to Clay County shall conform in all respects to the standards set forth in the Occupational Safety and Health Act (OSHA) of 1970 as amended and

the failure to comply will be considered a breach of contract. Clay County shall be held harmless against any unsafe conditions and contractor employee incidents.

Supplier certifies that all material, equipment, services, etc., furnished in this bid meets all OSHA requirements for the applicable Sectors. Supplier further certifies that, if the successful bidder, and the material, equipment, service, etc., delivered or provided is subsequently found to be deficient in any OSHA requirement in effect on date of delivery or service fulfillment date, all costs necessary to bring the material, equipment, service, etc., into compliance with the aforementioned requirements shall be borne by the bidder. All Personal Protective Equipment used by the Supplier and their employees shall be ANSI certified and meet OSHA standards.

### Unsatisfactory Equipment and/or Services

The County will discuss all instances of unacceptable equipment and/or services with the awarded Supplier. This shall be immediately rectified by the Supplier at no charge to the County, to include any labor and materials as it may apply.

During this time, the County may suspend service with the Supplier until the problem(s) are corrected or may elect to use another company on an emergency basis. A record of failure to perform or of an unsatisfactory performance may result in supplier debarment.

Any spillage of hazardous chemicals and / or wastes caused by the Supplier must be reported immediately to the Project Manager and cleaned up in accordance with all Local, State and Federal Regulations. The cost of cleanup if any spillage of hazardous chemicals and / or waste caused by the supplier shall be the sole responsibility of the Supplier, with the County sharing no responsibility of said costs. A copy of a complete report showing compliance with Local, State and Federal agencies shall be given to the County.

### Payment

Payments will be made in accordance with the Florida Local Government Prompt Payment Act.

### Term

This bid shall remain in effect for a period of twelve (12) months from the date of execution of the Agreement. The County reserves the right to renew this Agreement for two (2) additional one (1) year periods upon mutual agreement of both parties, in writing.

### Performance Evaluation

A work performance evaluation will be conducted periodically to ensure compliance with the Contract.

### Cancellation of Contract

If the awarded Supplier fails to maintain acceptable product quality or to perform adequately in accordance with the terms, conditions and specifications established in this Request for Bid, the County reserves the right to cancel the contract upon thirty (30) days written notice to the Supplier.

### Additional Services

If the County and/or awarded Supplier identifies any additional services to be provided by Supplier that are not covered under the Agreement but are beneficial to the County, such additional services shall be mutually negotiated between the County and the Supplier.
