

Honoring Those Who Served

1 Bunker Ave. Green Cove Springs, FL 32043

Board of Clay County Commissioners

Greetings,

I am writing to express our interest in acquiring the 1987 M-998, AM Humvee, serial number #034334. The Military Museum of North Florida, a 501(c)(3) non-profit organization located in Green Cove Springs, has been dedicated to showcasing local military history from the Revolutionary War through the present day since 2007. Our museum features several donated vehicles and artifacts, and we are always striving to expand our collection.

We have been actively seeking a Humvee to display as part of our Gulf War exhibit. It has come to our attention that a Humvee has been declared surplus by the Sheriff's Department and is being considered for auction by the Board of County Commissioners. We understand that this Humvee requires extensive work to be made roadworthy again, and we hope the Board would consider donating it to our museum.

The Humvee would make an excellent static display and could be enjoyed by the residents of our county. The mission of the Military Museum of North Florida is the preservation and respectful presentation of the rich military history of our citizen servicemen and women to honor their sacrifices in maintaining our freedom.

The donation would be utilized for educational purposes only at our museum. It will be stored outside and properly maintained by our staff.

Thank you for considering our request.

Sincerely, *Raymond A Scott*
