Text Revisions: Upon approval of this question at referendum, the foregoing portions of the Clay County Home Rule Charter are amended to read as follows:

Section 4.2: Home Rule Charter Amendments.

B. Amendments and revisions by Charter Review Commission.

(l) A Charter Review Commission consisting of 15 electors as members and 5 additional electors as alternate members of the Charter Review Commission shall be appointed by the Board of County Commissioners at least 12 months before the general election occurring in 1994 and at least 12 months before the general election of every ~~four~~ (4) eight (8) years thereafter. To the extent reasonably possible, the Board of County Commissioners shall appoint the alternates such that an equal number of them reside within each District of the County. The Charter Review Commission shall review the Home Rule Charter and propose any amendments or revisions which may be advisable for placement on the general election ballot. No member of the State Legislature or Board of County Commissioners shall be a member of the Charter Review Commission. If there is a vacancy in the office of a Charter Review Commission member, then the alternate residing in the same District in which the former member resided, will automatically accede to the seat that was vacated, if such an alternate member is available. If there is not an alternate

available who resides in the same District of the County as did the person who vacated the seat, then the alternate who resides in the next seat in numerical sequence will accede to the open position. Thus, for example, if a member who resides in District I vacates his or her seat and an alternate residing in District I is unavailable, then the alternate residing in District 2 will automatically accede to the open seat. If there is also no alternate residing in District 2, then the alternate residing in District 3 will accede to the open seat, and so on. Additionally, and by way of example, if a member of the Commission residing in District 5 vacates his or her seat, and there is no available alternate residing in District 5, then the alternate residing in District I, if available, will automatically accede to the open seat, and so on. If there are no available alternates, then the Board of County Commissioners upon request by the Charter Review Commission shall appoint such number of alternates as may be requested by the Charter Review Commission, not to exceed 5 alternates, within thirty (30) days of the request.
