# **MEMORANDUM**

FROM: Theresa Sumner, SHIP Program Administrator Meusic Alemnu

DATE: February 28, 2017

TO

SUBJECT: Waiver to Award Bid

Twenty-one contractors were invited to attend a SHIP walkthrough on January 26, 2017. Four contractors attended the walkthrough. Two presented valid bids on the bid due date of February 13, 2017.

After careful thought and consideration, I am requesting a waiver from awarding the bid to the lowest bidder which would allow the SHIP award to Libert Homes, Inc., who is the second lowest bidder. Libert Homes, Inc. is the most responsible and reliable bidder. The factual support for this waiver request is as follows:

The SHIP Program received numerous complaints relating to other SHIP projects worked on by Bernard Development, Inc. These complaints were verified through on-site inspection(s) and relate primarily to unsatisfactory workmanship, incomplete work and lack of professionalism or care as required by the SHIP Program. Ongoing efforts are being made to try and resolve the homeowner(s) and inspector's concerns without success.

Due to the severity and volume of complaints, of which there has not been an acceptable resolution, the recommendation is to award the work to another responsible bidder at this time. The above representations and recommendations are made in an effort to ensure the best interest of the residents of Clay County, their home and the integrity of the SHIP program.

Hey all,

Bob found an error on my specifications, I added skylights to the bid and did not add the removal of skylights from the bid. Can you please resend this with the correction to the contractors. Sorry for the mess up.

# MEMORANDUM

то:	Holly Coyle, Director of Economic and Development Services
FROM:	Theresa Sumner, SHIP Program Administrator House Humn
DATE:	February 28, 2017
SUBJECT:	Waiver to Award Bid

Twenty-one contractors were invited to attend a SHIP walkthrough on January 26, 2017. Four contractors attended the walkthrough. Two presented valid bids on the bid due date of February 13, 2017.

After careful thought and consideration, I am requesting a waiver from awarding the bid to the lowest bidder which would allow the SHIP award to Libert Homes, Inc., who is the second lowest bidder. Libert Homes, Inc. is the most responsible and reliable bidder. The factual support for this waiver request is as follows:

The SHIP Program received numerous complaints relating to other SHIP projects worked on by Bernard Development, Inc. These complaints were verified through on-site inspection(s) and relate primarily to unsatisfactory workmanship, incomplete work and lack of professionalism or care as required by the SHIP Program. Ongoing efforts are being made to try and resolve the homeowner(s) and inspector's concerns without success.

Due to the severity and volume of complaints, of which there has not been an acceptable resolution, the recommendation is to award the work to another responsible bidder at this time. The above representations and recommendations are made in an effort to ensure the best interest of the residents of Clay County, their home and the integrity of the SHIP program.

## Budget, Personnel & Policy Committee Report May 19, 2014

The Budget, Personnel & Policy Committee met on Monday, May 19, 2014 at 3:06 p.m. in the BCC Meeting Room. Those in attendance are listed on the attached attendance log. After review and discussion, the committee recommended the following:

**PUBLIC COMMENTS** No public comments were made.

1. Recommended approval of two agreements with Vision Internet Providers, Inc:

A) Recommended approval of the Website Design Agreement with Vision Internet Providers, Inc. in the amount of \$34,889.17. Further approval of advance payment is requested. The contract amount provided is based off the GSA authorized Federal supply schedule contract #GS-07F-0509W. The term of the agreement is for one year. Funding Source: 001-0107-531000

B) Recommended approval of the Website Hosting Agreement with Vision Internet Providers, Inc. in the total amount of \$33,618.98 (which includes an annual 5% increase for the 4 year term). Recommended additional approval of advancement payment to be paid annually is requested. The term of the agreement is for 4 years. Funding Source: 001-0107-554000

- 2. Recommended approval of Budget Transfer #14-079 in the amount of \$5,650.00 to allocate funds in Green Cove Springs Library Division's budget to cover health insurance costs through the end of the fiscal year. The funds are being transferred within the department from the Orange Park Library Division's health insurance account. The transfer is between cost centers within the same fund. Funding Source: 001-3302-523000
- 3. Recommended approval to rescind award of Bid No. 13/14-18, Limerock Base, to Beaver Bulk and award to next lowest and responsible bidder, Liberty Trucking, LLC. On March 25, 2014 the BCC approved award of Bid No. 13/14-18 to Beaver Bulk as an annual bid for purchase of limerock as needed. On April 24, 2014 Beaver Bulk notified the County that they were unable to perform and meet the requirements of the bid. At this time staff is requesting approval to rescind bid award and award to next lowest and responsible bidder, Liberty Trucking, LLC. Approval will be effective after 72-hour bid protest period has expired, assuming no protests are received. Submittals are available for review in the Purchasing Division. Funding Sources: 101-3701-553000 & 101-3701-546100
- 4. Recommended approval of Budget Transfer #14-080 in the amount of \$4,200.00 to allocate funds in the Board of Tax Adjustment's budget to cover reimbursement costs to the Clay County Tax Collector pertaining to mailing of 2013 tax notices. This transfer is necessary due to the facts that (1) actual mailing costs exceeded estimated costs and (2) budget transfers within the cost center to cover higher than expected VAB attorney and Special Magistrate costs. This transfer is between cost centers within the same fund. Funding Source: 001-0101-531000

- 5. Recommended approval of Resolution of revised Health Department fees. Periodically, the Clay County Health Department reviews its fees and determines whether the fees should be changed based on the cost of services. Attached is a resolution revising the fees included therein. This is the first revision since 2004.
- 6. Recommended approval of Clay County Economic Development Corporation proposal for new economic development incentive based on increase in ad valorem tax solely from tangible personal property. Qualifiers that are to be added are (1) that the Property Appraiser's Office is to provide tangible personal property certified values, and, (2) to restrict the types of jobs created to those that also comply with the State of Florida's Qualified Target Industry Incentive.
- Recommended approval to waive the Purchasing Policy Formal and Competitive Bids requirement as it relates to SHIP Rehabilitation projects. Written quotes will still be required for these projects.

**PUBLIC COMMENTS** No public comments were made.

There being no further business to come before the committee, the meeting adjourned at 3:27 p.m.

Diane Hutchings Committee Chair Angela Goodermote Recording Secretary ten percent (10%) of the maximum threshold amount defined above or \$1,000, whichever is less. If the amount of the change is less than \$100, the invoice may be processed without a change order.

c.) In the event the purchasing agent does not select the lowest verbal quote, then the explanation therefore must be approved by the County Manager, submitted with the requisition, and submitted for information to the Board of County Commissioners.

(9) a.) All purchases equal to or greater than \$15,000 and less than \$25,000 must be reviewed and approved by the County Manager and must follow the procedures outlined in Chapter 5 (A) and (B) above. In addition to these requirements, the requesting department shall, with all due diligence, obtain from the vendor on the vendor's letterhead 3 written quotes to be attached to each Purchase Requisition and forwarded to the Purchasing Officer and Finance department. Written quotes shall contain the following information at minimum: 1) Date quote was received; 2) Vendor Business name; 3) Vendor telephone number; 4) Item description; 5) Total purchase price quote; 6) Name of vendor employee who prepared the quote. 7) Date upon which the quote becomes void (i.e.: the last day that the vendor will honor the quote, or "good through" statement). Copies of this documentation shall be attached to the Purchase Requisition and filed with the Purchase/Blanket Order in the Finance department. Due to impracticality the repair of heavy equipment is exempt from the written quotes requirement. The repairs must be approved by the County Manager, and submitted for information to the Board of County Commissioners under the County Manager's Business at its next regular meeting. An official list of such equipment as defined below shall be maintained and provided by the Fleet Maintenance Division and approved by the County Manager.

Heavy Equipment – Shall be defined as follows:

(1) Public Safety, Construction and Material Handling Equipment with a rating of more than 85 horsepower.

(2) Transportation Equipment with a GVWR (Gross Vehicle Weight Rating) of more than 10,000 pounds.

(3) Fire and Rescue Vehicles with a GVWR (Gross Vehicle Weight Rating) of more than 10,000 pounds.

b.) It shall be the policy of the Board that goods and services within this cost range shall be purchased from responsible vendors offering the best value for the most conforming goods or services at lowest quoted written price. If three written quotes cannot be obtained and documented, the agent must attach a written explanation to the requisition. The requisition can be approved and the purchase made without three written quotes if the agent's written explanation why three written quotes could not reasonably be obtained is adequate and approved by County Manager or his or her designee. Additionally, in the event of an unanticipated cost overrun or increase occurring in good faith and subsequent to issuing of the purchase order, the County Manager may approve a one-time change order increasing the maximum threshold defined in this paragraph by an amount not to exceed ten percent (10%) of the maximum threshold amount defined above or \$1,000, whichever is less. If the amount of the change is less than \$100, the invoice may be processed without a change order.

c.) In the event the purchasing agent does not select the lowest written quote, then the explanation therefore must be approved by the County Manager, submitted with the requisition, and submitted for information to the Board of County Commissioners under "County Manager's Business" at its next regular meeting.

(10)(a) Formal and competitive bids are required for all purchases equal to or greater than \$25,000 and shall be made and otherwise governed in accordance with the formal bid process in this Purchasing Manual. Notwithstanding anything else to the contrary in this Purchasing Manual: Due to impracticality the repair of heavy equipment is exempt from the competitive bids requirement. The repairs must be approved by the County Manager, and submitted for information to the Board of County Commissioners under the County Manager's Business at its next regular meeting. An official list of such equipment as defined below shall be maintained and provided by the Fleet Maintenance Division and approved by the County Manager.

Heavy Equipment – Shall be defined as follows:

(1) Public Safety, Construction and Material Handling Equipment with a rating of more than 85 horsepower.

(2) Transportation Equipment with a GVWR (Gross Vehicle Weight Rating) of more than 10,000 pounds.

(3) Fire and Rescue Vehicles with a GVWR (Gross Vehicle Weight Rating) of more than 10,000 pounds.

## MEMORANDUM

TO:	Finance and Audit Committee
FROM:	Alan Altman Environmental Services
SUBJECT:	Single Stream versus Dual Stream Recycling
DATE:	April 11, 2017

This is to provide an overview of the single stream versus dual stream recycling, and to outline advantages and disadvantages to each collection system. It addresses cost, contamination of recyclables and convenience to the user.

Clay County provides residential collection of recyclables through a dual stream source separated program using bins. Residents must separate their household recyclable materials into two streams by material type. One bin for rigid containers such as cans, jugs bottles etc. (commingle) and one bin for paper products such as newspaper, cardboard etc. (fiber). A single stream system does not require the resident to separate materials for collection. Most single stream programs utilize a large wheeled cart for collection.

At first glance, single stream seems simple with one main advantage, convenience. It is easier than sorting the paper items from the containers. While this convenience may lead to more participation, it can also significantly increase the amount of regular garbage put into recycling containers, which results in contamination. Even with today's latest technology, Material Recovery Facilities (MRF) cannot separate recyclables as well as if they had never been mixed from the beginning. Food residues from regular household garbage and glass which is separated into the commingle bin are the two largest contaminants of fiber material. Paper and cardboard is most affected by single stream recycling because the glass shards and food from un-rinsed containers contaminates paper products rendering them useless or reduced value as recyclable material. The rates of 'residuals', garbage and would be recyclables that end up in the landfill, are significantly higher with single stream recycling than for source separated material. Due to these and other factors, single stream is, ultimately, more expensive than dual stream.

Dual stream cannot match single stream's convenience for those who are not concerned with the end result of recycling. Dual Stream can result in a lower overall participation rate because of the added step of sorting. Dual stream collection also requires more time per stop and is therefore less efficient during collection. However, this added time is also an advantage as the collector is able to provide a level of quality control at the curb so that household garbage is not collected with the recyclables. Because the recyclables are kept separated in the truck and at the MRF, the containers and fiber are sorted independently. This also prevents the problem of glass and food contamination of fiber. Dual stream MRFs are better able to produce commodities that are more pure which leads to a higher market value when the material is sold. Residual rates are also low, 2% - 5% versus 25% or higher for single stream, thus more recycling is captured and kept out of landfills.

So, which is better? While single stream is more convenient, it is also more expensive. The community pays for the convenience. Source separation is less costly and boosts the quality of recyclables, yet it could have lower participation. There is no right way to recycle and no single system is a fit for every community. An expanded list of the advantages and disadvantages of each recycling collection system along with other items of note and estimated costs associated with implementing single stream in Clay County is attached.

# Comparison Dual Stream and Single Stream

Advantages & Disadvantages

Dual Stream Recycling Collection (bins)						
Advantages	Disadvantages					
Lower implementation costs (bins & vehicles)	Potential for lower collection efficiency as manual					
	collection increases collection time per stop when					
	compared to automated collection systems					
Higher level of participant responsibility	May be regarded as less convenient by customers					
Greater quality control during collection	Difficult to control scavenging					
Less contamination potential for unsolicited items	Some potential to collect less materials by volume					
	resulting in lower diversion rate					
Higher recovery rates for recyclables, especially glass	Higher worker injury costs with manual collection					
Less cross contamination of recyclables						
Higher market revenues for higher quality recovered						
materials						
Lower processing costs						
Lower % of processing residue (garbage & unsorted						
recyclables)						
Reduced loss of materials to residue disposal and lower						
disposal costs for residuals						
Potential for lower net recycling system costs per						
household and per ton marketed						
Long 30+ year track record of successful recycling						
collection and processing system used worldwide						

Single Stream Recyc	ling Collection (carts)
Advantages	Disadvantages
Potential for increased program participation	Higher implementation and maintenance costs (carts & vehicles)
May be regarded as convenient by many customers	Reduces quality control during collection
Potential to collect more materials by volume	Increased contamination by unsolicited items
Potential to reduce scavenging and litter	Higher cross contamination
Single operator automated collection vehicles increase collection efficiency and lowers stop times	May produce lower quality materials that reduce market value, some end markets will not accept single stream
Reduced worker injury costs for automated collection	Higher processing costs
	Reduced glass recovery and lowered paper grade
	Higher % processing residue and garbage
	Increased loss of materials to residue disposal and disposal costs for residuals
	Potential for higher net recycling program costs per household and per ton marketed
	Mixed track record in North America, system not used in Europe
	Only one single-stream processor in North Florida
	Cart issues for Residents: -Space constraint (HOAs may require to keep indoors) -Large cart may be hard to handle -Some will prefer to keep bins and may refuse cart
	Cart Issues for County: -Offer residents 1, 2 or 3 cart sizes (35gl, 65gl, 95gl) -Negotiate amendment to collection contract -Cart purchase, ownership & maintenance -Larger automated vehicles cannot access many roads requiring use of manual cart tippers (less productivity than current system - more time per stop)

Other items of note:

- Single stream pushed by solid waste hauling companies, not recycling processors
- Case studies prove major flaws with single-stream recycling
- Convenience is the greatest advantage of single-stream convenience that significantly increases the amount of refuse residents put in recycling bins
- What single stream gains in volume is sacrificed in loss of quality. Approximately 25% of what is picked up ends up going to the landfill vs 2-5% for dual stream
- Municipality must spend money on carts to realize significant collection savings at curb.(est. \$3.8 mil)
- Savings on collection may be wiped out by the lower value for contaminated materials. Fiber contaminated with glass is an ongoing problem for paper mills. Many single stream programs ban glass
- China's 'Green Fence' increased quality standards for exported materials. Some single stream MRFs shut their doors when they could not meet the standards
- Paper mills in process of creating new grades for material from single-stream plants. While single stream fiber is already less marketable, these new grades will also be lower in value than the higher quality material grades from dual-stream MRFs
- Can achieve recycling goals more cheaply with a volume based or pay as you throw (PAYT) garbage collection system and/or by alternating fiber and container collection every other week
- Must be willing to spend time & money annually for ongoing public education in regards to quality issues.
- Single stream is simply not for everyone. It will be beneficial in some places and not in others.
  - A number of communities have steered clear of single stream (Palm Beach County, FL; Alachua County, FL; Kalamazoo, MI; Portland, OR; Roseville, MN; University of Colorado-Boulder; Ottawa, Canada; London, Ontario; North Shore, British Columbia). Others who tried it have eliminated glass due to quality issues (Houston, TX; Decatur, GA; Kansas City, MO; Knoxville, TN; Sioux City, IA; Summit County, CO; Rock Island and Moline, IL) or landfill the glass (Chattanooga, TN). Auburn, Maine switched back to source separated recycling after trying single stream.

### Estimated costs:

\$4.2 million – Recycling carts (64,000 homes) plus ongoing purchase, repair and delivery costs

\$3.9 million – ASL collection vehicles (11)

\$50,000 -\$75,000 annually – Public Education Campaign (ongoing to deal with quality issues)

Estimated (\$260,000) loss in recycling revenues for fiber & OCC (If receive \$20/ton single-stream vs higher fiber prices) Anticipated additional per ton processing cost at MRF (can exceed revenues in down commodity markets)

## In Re: Clay County Agreement/Contract No. 2014/15-155

First Amendment to Agreement/Contract #2014/15-155 Bus Bench Siting Agreement [Push Media, L.L.C.]

This First Amendment to Agreement/Contract 2014/15-155 (this Instrument) is made and entered into by and between Clay County, a political subdivision of the State of Florida (the County), and Push Media, L.L.C. a qualified private supplier of bus benches within the meaning of the Statute, as of the \_\_\_\_\_ day of \_\_\_\_\_\_, 2017.

## Recitals

WHEREAS, the parties have heretofore entered into that certain Agreement/Contract dated as of the 11<sup>th</sup> day of August, 2015, and designated by the County as Agreement/Contract No. 2014/15-155 (the Agreement); and,

WHEREAS, the parties desire to amend Exhibit A of the Agreement to add additional locations to the list of approved bus benches.

WHEREAS, the County's Standard Addendum to all Contracts and Agreements and the Scrutinized Companies Certification are attached hereto and by reference its terms incorporated herein.

IN CONSIDERATION OF the foregoing Recitals, the mutual covenants and promises herein set forth, and for other good and valuable consideration, including the sum of ten dollars (\$10.00) in hand paid, the receipt of which is hereby acknowledged and all objections to the sufficiency and adequacy of which are hereby waived, the parties hereby agree as follows:

1. Effective as of the first day of the calendar month following the date first above-written (\_\_\_\_\_\_\_, 2017), the document attached to this Instrument as Exhibit A shall be substituted for the current Exhibit A to Clay County Agreement/Contract 2014/15-155.

2. The Recitals set forth hereinabove form an integral part of this Instrument. When construing this Instrument, all resort shall be had to the Recitals to the extent necessary to give the fullest effect to the manifest intent of the parties set forth in this Instrument.

3. Except as amended pursuant to paragraph 1 of this Instrument, the Agreement remains in full force and effect in accordance with its terms.

(The remainder of this page is intentionally left blank.)

IN WITNESS WHEREOF, the parties hereto have caused this Instrument to have been executed on its behalf by the proper officers thereof as of the day and year first above-written.

## STANDARD ADDENDUM TO ALL CONTRACTS AND AGREEMENTS [General]

Any other provisions of the contract or agreement (the Agreement) to which this document is attached to the contrary notwithstanding, the provisions hereof take precedence over the provisions of the Agreement regardless of whether the matters addressed herein are also addressed in the Agreement, and shall be deemed an integral part of the Agreement as if set forth therein, having a force and effect of equal or superior dignity, as applicable, with the provisions thereof; provided, if provisions of the Agreement address a matter in a manner which results in a lower cost to the County than would prevail hereunder, then such provisions shall control and supersede the applicable provisions hereof. As used herein, the term "Contractor" means the vendor or other party to the Agreement providing construction, labor, materials, professional services, and/or equipment to the County thereunder; the term "County" means Clay County, a political subdivision of the State of Florida, its Board of County Commissioners, or any other name or label set forth in the Agreement identifying such entity; and the term "Parties" means the County and the Contractor together.

1. As used in this paragraph, the term "Act" means the Local Government Prompt Payment Act set forth in Part VII of Chapter 218, Florida Statutes; the term "Invoice" means a statement, invoice, bill, draw request or payment request submitted by the Contractor under the Agreement; the term "Manager" means the County Manager of the County; the term "Paying Agent" means the agent of the County to whom Invoices must be submitted if identified in the Agreement, or, if not so identified, the County's Finance Director; the term "Submittal Date" means, with respect to an Invoice, the submittal date thereof to the Paying Agent; and the term "Work" means the services rendered, or supplies, materials, equipment and the like constructed, delivered or installed under the Agreement. All payments for the Work shall be made by the County in accordance with the Act. Upon receipt of a proper Invoice, the County shall have the number of days provided in the Act in which to make payment.

(a) Promptly upon receipt of an Invoice submitted under this paragraph, the Paying Agent shall date stamp the same as received. Thereafter, the Paying Agent shall review the Invoice and may also review the Work as delivered, installed or performed to determine whether the quantity and quality of the Work is as represented in the Invoice and is as required by this Agreement. If the Paying Agent determines that the Invoice does not conform with the applicable requirements of the Agreement or this paragraph or that the Work within the scope of the Invoice has not been properly delivered, installed or performed in full accordance with the Agreement, the Paying Agent shall notify the Contractor in writing within 10 days after the improper Invoice is received that the Invoice is improper and indicate what corrective action on the part of the Contractor is needed to make the Invoice proper. The County shall pay each proper Invoice in accordance with the applicable provisions of the Act.

(b) By the submittal of an Invoice hereunder, the Contractor shall have been deemed to have warranted to the County that all Work for which payments have been previously received from the County shall be free and clear of liens, claims, security interests or other encumbrances in favor of the Contractor or any other person or entity for failure to make payment.

(c) The Parties will attempt to settle any payment dispute arising under this paragraph through consultation and a spirit of mutual cooperation. The dispute will be escalated to appropriate higher-level managers of the Parties, if necessary. If the dispute remains unresolved within 30 calendar days following the Submittal Date, then the Paying Agent shall schedule a meeting with the Manager between the Contractor's representative and the Paying Agent, to be held no later 45 calendar days following the Submittal Date, and shall provide written notice to the Contractor regarding the date, time and place of the meeting no less than 7 calendar days prior thereto. At the meeting, the

Contractor's representative and the Paying Agent shall submit to the Manager their respective positions regarding the dispute, including any testimony and documents in support thereof. The Manager shall issue a written decision resolving the dispute within 60 calendar days following the Submittal Date, and serve copies thereof on the Contractor's representative and the Paying Agent.

2. To the extent not otherwise expressly provided in the Agreement, any work or professional services subcontracted for by the Contractor for which the County has agreed to reimburse the Contractor shall not be marked-up, but shall be payable by the County only in the exact amount reasonably incurred by the Contractor. No other such subcontracted services shall be reimbursed.

3. To the extent not otherwise expressly provided in the Agreement, in the event the Agreement is for professional services, charged on a time basis, the County shall not be billed or invoiced for time spent traveling to and from the Contractor's offices or other points of dispatch of its subcontractors, employees, officers or agents in connection with the services being rendered.

4. To the extent not otherwise expressly provided in the Agreement, the County shall not be liable to reimburse the Contractor for any courier service, telephone, facsimile or postage charges incurred by the Contractor, except as follows, and then only in the exact amount incurred by the Contractor [if the space below is left blank then "NONE" is deemed to have been inserted therein]:

5. To the extent not otherwise expressly provided in the Agreement, the County shall not be liable to reimburse the Contractor for any copying expenses incurred by the Contractor except as follows, and then only at \$0.05 per page [if the space below is left blank then "NONE" is deemed to have been inserted therein]:

6. If and only if travel and per diem expenses are addressed in the Agreement in a manner which expressly provides for the County to reimburse the Contractor for the same, then the County shall reimburse the Contractor <u>only</u> for those travel and per diem expenses reasonably incurred and only in accordance with the provisions of Section 112.061, Florida Statutes. In the event the Contractor has need to utilize hotel accommodations or common carrier services, the County shall reimburse the Contractor for his, her or its reasonable expense incurred thereby provided prior approval of the Manager or his or her designee is obtained.

7. With respect to drawings and/or plans prepared on behalf of the County by the Contractor under the Agreement, unless specifically provided otherwise therein, complete sets of such drawings and/or plans shall be reproduced by the Contractor without cost to the County for all bidders requesting the same, and five complete sets of such drawings and/or plans shall be reproduced and delivered to the County without cost.

8. With respect to any indemnification by the County provided under the Agreement, any such indemnification shall be subject to and within the limitations set forth in Section 768.28, Florida Statutes, and to any other limitations, restrictions and prohibitions that may be provided by law, and shall not be deemed to operate as a waiver of the County's sovereign immunity.

9. In that the County is a governmental agency exempt from sales and use taxes, the County shall pay no such taxes, any other provisions of the Agreement to the contrary notwithstanding. The County shall provide proof of its exempt status upon reasonable request.

10. Any pre-printed provisions of the Agreement to the contrary notwithstanding, the same shall <u>not</u> automatically renew but shall be renewed only upon subsequent agreement of the Parties.

11. The Contractor acknowledges that in the budget for each fiscal year of the County during which the term of the Agreement is in effect a limited amount of funds are appropriated which are available to make payments arising under the Agreement. Any other provisions of the Agreement to the contrary notwithstanding, and pursuant to the provisions of Section 129.07, Florida Statutes, the maximum payment that the County is obligated to make under the Agreement from the budget of any fiscal year shall not exceed the appropriation for said fiscal year.

12. PUBLIC RECORDS LAW: The Contractor acknowledges the County's obligation under Art. 1, Section 24, Florida Constitution, and Chapter 119, Florida Statutes, as from time to time amended (together, the Public Records Laws), to release public records to members of the public upon request. The Contractor acknowledges that the County is required to comply with the Public Records Laws in the handling of the materials created under the Agreement and that the Public Records Laws control over any contrary terms in the Agreement. In accordance with the requirements of Section 119.0701, Florida Statutes, the Contractor covenants to comply with the Public Records Laws, and in particular to:

(a) Keep and maintain public records required by the County to perform the services required under the Agreement;

(b) Upon request from the County's custodian of public records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if the Contractor does not transfer the records to the County; and,

(d) Upon completion of the Agreement, transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records required by the County to perform the services. If the Contractor transfers all public records to the County upon completion of the Agreement, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Agreement, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County.

13. The Contractor's failure to comply with the requirements of paragraph 12 shall be deemed a material breach of the Agreement, for which the County may terminate the Agreement immediately upon written notice to the Contractor.

14. The Contractor acknowledges the provisions of Section 119.0701(3)(a), Florida Statutes, which, as applicable to the County and the Contractor, require as follows:

(a) A request to inspect or copy public records relating to the Agreement must be made directly to the County. If the County does not possess the requested records, the County shall immediately notify the Contractor of the request, and the Contractor must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

(b) If the Contractor does not comply with the County's request for records, the County shall enforce the contract provisions in accordance with the Agreement.

(c) If the Contractor fails to provide the public records to the County within a reasonable time, the Contractor may be subject to penalties under Section 119.10, Florida Statutes.

# 15. IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (904) 269-6352, <u>Ann.Mitchell@claycountygov.com</u>, POST OFFICE BOX 1366, GREEN COVE SPRINGS, FLORIDA 32043.

16. As used in this paragraph, the term "Statute" means Section 287.135, Florida Statutes; the term "Certification" means a certification submitted by the Contractor under subsection (5) of the Statute in connection with submitting a bid or proposal for the Agreement or entering into or renewing the Agreement; and the term "Qualified Contract" means a contract with the County for goods or services of \$1 million or more.

(a) If the Agreement is a Qualified Contract entered into or renewed on or before September 30, 2016, then the County shall have the option of terminating the Agreement if the Contractor:

(i) is found to have submitted a false Certification;

(ii) has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List as referred to in subsection (2) of the Statute; or,

(iii) has been engaged in business operations in Cuba or Syria as defined in subsection (1) of the Statute.

(b) If the Agreement is a Qualified Contract entered into or renewed on or after October 1, 2016, then the County shall have the option of terminating the Agreement if the Contractor:

(i) is found to have submitted a false Certification;

(ii) has been placed on the Scrutinized Companies that Boycott Israel List as referred to in subsection (2) of the Statute, or is engaged in a boycott of Israel as defined in subsection (1) of the Statute;

(iii) has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List as referred to in subsection (2) of the Statute; or,

(iv) has been engaged in business operations in Cuba or Syria as defined in subsection (1) of the Statute.

#### STANDARD ADDENDUM TO ALL CONTRACTS AND AGREEMENTS [General]

Any other provisions of the contract or agreement (the Agreement) to which this document is attached to the contrary notwithstanding, the provisions hereof take precedence over the provisions of the Agreement regardless of whether the matters addressed herein are also addressed in the Agreement, and shall be deemed an integral part of the Agreement as if set forth therein, having a force and effect of equal or superior dignity, as applicable, with the provisions thereof; provided, if provisions of the Agreement address a matter in a manner which results in a lower cost to the County than would prevail hereunder, then such provisions shall control and supersede the applicable provisions hereof. As used herein, the term "Contractor" means the vendor or other party to the Agreement providing construction, labor, materials, professional services, and/or equipment to the County thereunder; the term "County" means Clay County, a political subdivision of the State of Florida, its Board of County Commissioners, or any other name or label set forth in the Agreement identifying such entity; and the term "Parties" means the County and the Contractor together.

1. As used in this paragraph, the term "Act" means the Local Government Prompt Payment Act set forth in Part VII of Chapter 218, Florida Statutes; the term "Invoice" means a statement, invoice, bill, draw request or payment request submitted by the Contractor under the Agreement; the term "Manager" means the County Manager of the County; the term "Paying Agent" means the agent of the County to whom Invoices must be submitted if identified in the Agreement, or, if not so identified, the County's Finance Director; the term "Submittal Date" means, with respect to an Invoice, the submittal date thereof to the Paying Agent; and the term "Work" means the services rendered, or supplies, materials, equipment and the like constructed, delivered or installed under the Agreement. All payments for the Work shall be made by the County in accordance with the Act. Upon receipt of a proper Invoice, the County shall have the number of days provided in the Act in which to make payment.

(a) Promptly upon receipt of an Invoice submitted under this paragraph, the Paying Agent shall date stamp the same as received. Thereafter, the Paying Agent shall review the Invoice and may also review the Work as delivered, installed or performed to determine whether the quantity and quality of the Work is as represented in the Invoice and is as required by this Agreement. If the Paying Agent determines that the Invoice does not conform with the applicable requirements of the Agreement or this paragraph or that the Work within the scope of the Invoice has not been properly delivered, installed or performed in full accordance with the Agreement, the Paying Agent shall notify the Contractor in writing within 10 days after the improper Invoice is received that the Invoice is improper and indicate what corrective action on the part of the Contractor is needed to make the Invoice proper. The County shall pay each proper Invoice in accordance with the applicable provisions of the Act.

(b) By the submittal of an Invoice hereunder, the Contractor shall have been deemed to have warranted to the County that all Work for which payments have been previously received from the County shall be free and clear of liens, claims, security interests or other encumbrances in favor of the Contractor or any other person or entity for failure to make payment.

(c) The Parties will attempt to settle any payment dispute arising under this paragraph through consultation and a spirit of mutual cooperation. The dispute will be escalated to appropriate higher-level managers of the Parties, if necessary. If the dispute remains unresolved within 30 calendar days following the Submittal Date, then the Paying Agent shall schedule a meeting with the Manager between the Contractor's representative and the Paying Agent, to be held no later 45 calendar days following the Submittal Date, and shall provide written notice to the Contractor regarding the date, time and place of the meeting no less than 7 calendar days prior thereto. At the meeting, the

Contractor's representative and the Paying Agent shall submit to the Manager their respective positions regarding the dispute, including any testimony and documents in support thereof. The Manager shall issue a written decision resolving the dispute within 60 calendar days following the Submittal Date, and serve copies thereof on the Contractor's representative and the Paying Agent.

2. To the extent not otherwise expressly provided in the Agreement, any work or professional services subcontracted for by the Contractor for which the County has agreed to reimburse the Contractor shall not be marked-up, but shall be payable by the County only in the exact amount reasonably incurred by the Contractor. No other such subcontracted services shall be reimbursed.

3. To the extent not otherwise expressly provided in the Agreement, in the event the Agreement is for professional services, charged on a time basis, the County shall not be billed or invoiced for time spent traveling to and from the Contractor's offices or other points of dispatch of its subcontractors, employees, officers or agents in connection with the services being rendered.

4. To the extent not otherwise expressly provided in the Agreement, the County shall not be liable to reimburse the Contractor for any courier service, telephone, facsimile or postage charges incurred by the Contractor, except as follows, and then only in the exact amount incurred by the Contractor [if the space below is left blank then "NONE" is deemed to have been inserted therein]:

5. To the extent not otherwise expressly provided in the Agreement, the County shall not be liable to reimburse the Contractor for any copying expenses incurred by the Contractor except as follows, and then only at \$0.05 per page [if the space below is left blank then "NONE" is deemed to have been inserted therein]:

6. If and only if travel and per diem expenses are addressed in the Agreement in a manner which expressly provides for the County to reimburse the Contractor for the same, then the County shall reimburse the Contractor <u>only</u> for those travel and per diem expenses reasonably incurred and only in accordance with the provisions of Section 112.061, Florida Statutes. In the event the Contractor has need to utilize hotel accommodations or common carrier services, the County shall reimburse the Contractor for his, her or its reasonable expense incurred thereby provided prior approval of the Manager or his or her designee is obtained.

7. With respect to drawings and/or plans prepared on behalf of the County by the Contractor under the Agreement, unless specifically provided otherwise therein, complete sets of such drawings and/or plans shall be reproduced by the Contractor without cost to the County for all bidders requesting the same, and five complete sets of such drawings and/or plans shall be reproduced and delivered to the County without cost.

8. With respect to any indemnification by the County provided under the Agreement, any such indemnification shall be subject to and within the limitations set forth in Section 768.28, Florida Statutes, and to any other limitations, restrictions and prohibitions that may be provided by law, and shall not be deemed to operate as a waiver of the County's sovereign immunity.

9. In that the County is a governmental agency exempt from sales and use taxes, the County shall pay no such taxes, any other provisions of the Agreement to the contrary notwithstanding. The County shall provide proof of its exempt status upon reasonable request.

10. Any pre-printed provisions of the Agreement to the contrary notwithstanding, the same shall <u>not</u> automatically renew but shall be renewed only upon subsequent agreement of the Parties.

11. The Contractor acknowledges that in the budget for each fiscal year of the County during which the term of the Agreement is in effect a limited amount of funds are appropriated which are available to make payments arising under the Agreement. Any other provisions of the Agreement to the contrary notwithstanding, and pursuant to the provisions of Section 129.07, Florida Statutes, the maximum payment that the County is obligated to make under the Agreement from the budget of any fiscal year shall not exceed the appropriation for said fiscal year.

12. PUBLIC RECORDS LAW: The Contractor acknowledges the County's obligation under Art. 1, Section 24, Florida Constitution, and Chapter 119, Florida Statutes, as from time to time amended (together, the Public Records Laws), to release public records to members of the public upon request. The Contractor acknowledges that the County is required to comply with the Public Records Laws in the handling of the materials created under the Agreement and that the Public Records Laws control over any contrary terms in the Agreement. In accordance with the requirements of Section 119.0701, Florida Statutes, the Contractor covenants to comply with the Public Records Laws, and in particular to:

(a) Keep and maintain public records required by the County to perform the services required under the Agreement;

(b) Upon request from the County's custodian of public records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if the Contractor does not transfer the records to the County; and,

(d) Upon completion of the Agreement, transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records required by the County to perform the services. If the Contractor transfers all public records to the County upon completion of the Agreement, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Agreement, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County.

13. The Contractor's failure to comply with the requirements of paragraph 12 shall be deemed a material breach of the Agreement, for which the County may terminate the Agreement immediately upon written notice to the Contractor.

14. The Contractor acknowledges the provisions of Section 119.0701(3)(a), Florida Statutes, which, as applicable to the County and the Contractor, require as follows:

(a) A request to inspect or copy public records relating to the Agreement must be made directly to the County. If the County does not possess the requested records, the County shall immediately notify the Contractor of the request, and the Contractor must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

(b) If the Contractor does not comply with the County's request for records, the County shall enforce the contract provisions in accordance with the Agreement.

(c) If the Contractor fails to provide the public records to the County within a reasonable time, the Contractor may be subject to penalties under Section 119.10, Florida Statutes.

## 15. IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (904) 269-6352, <u>Ann.Mitchell@claycountygov.com</u>, POST OFFICE BOX 1366, GREEN COVE SPRINGS, FLORIDA 32043.

16. As used in this paragraph, the term "Statute" means Section 287.135, Florida Statutes; the term "Certification" means a certification submitted by the Contractor under subsection (5) of the Statute in connection with submitting a bid or proposal for the Agreement or entering into or renewing the Agreement; and the term "Qualified Contract" means a contract with the County for goods or services of \$1 million or more.

(a) If the Agreement is a Qualified Contract entered into or renewed on or before September 30, 2016, then the County shall have the option of terminating the Agreement if the Contractor:

(i) is found to have submitted a false Certification;

(ii) has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List as referred to in subsection (2) of the Statute; or,

(iii) has been engaged in business operations in Cuba or Syria as defined in subsection (1) of the Statute.

(b) If the Agreement is a Qualified Contract entered into or renewed on or after October 1, 2016, then the County shall have the option of terminating the Agreement if the Contractor:

(i) is found to have submitted a false Certification;

(ii) has been placed on the Scrutinized Companies that Boycott Israel List as referred to in subsection (2) of the Statute, or is engaged in a boycott of Israel as defined in subsection (1) of the Statute;

(iii) has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List as referred to in subsection (2) of the Statute; or,

(iv) has been engaged in business operations in Cuba or Syria as defined in subsection (1) of the Statute.

#### CLAY COUNTY DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT (the "Agreement") is made and entered into this \_\_\_\_\_\_ day of \_\_\_\_\_\_, 20\_\_, by and between Old Jennings Estates Investment, Inc., a Florida corporation, (the "Developer") and CLAY COUNTY, a political subdivision of the State of Florida (the "County"), by and through its Board of County Commissioners, as follows:

#### **RECITALS:**

WHEREAS, Old Jennings Estates Investment, Inc. is the developer of Linda Lakes Subdivision Unit 1 and Unit 2 (the "Subdivision"), Unit 1 platted in Plat Book 58, pages 59 through 67, in the public records of Clay County, Florida (the "Plat") and Unit 2 as described in the approved engineering plans dated November 8, 2016; and

WHEREAS, the *Plans for Linda Lakes* (the "Development Plans") were approved by the County on November 8, 2016 and

WHEREAS, pursuant to the County's Land Development Code and the Development Plans in effect, Developer is required to grade and install all roadways within the Subdivision (the "*Roadways*"); the Roadways are identified within the Plat, and the Plat provides for Roadways to be Private; phases are defined by acceptance of streets and drainage by the county within the Plat and are more particularly described as Phase 1 consisting of lots 1 thru 25, and 103 thru 122 (Phase 1), and as Phase 2 consisting of lots 26 thru 102(Phase 2); and

WHEREAS, pending the final completion of the Roadways by the Developer and their acceptance by the County, the Developer has requested that the County continue to issue Certificates of Occupancy upon Developer's completion of single family residential houses within the Subdivision; yet, the County has requested assurance of completion of the Roadways; and

WHEREAS, the Developer desires to enter into this Agreement with the County so as to ensure the timely issuance of Certificates of Occupancy and installation and completion of the Roadways within the Subdivision, and such other related improvements as are necessary and/or agreed;

NOW, THEREFORE, in consideration of the mutual covenants set forth herein the receipt and sufficiency of which are hereby acknowledged, Developer and the County hereby agree as follows:

1. DEVELOPMENT. Developer shall install and complete development of the Roadways within the Subdivision in accordance with the requirements of the Land Development Code and the Development Plans. Developer shall be obligated to continue development in a consistent and orderly manner. Notwithstanding any contrary requirements of the Land Development Code, within Unit 1 the Developer shall have the option of constructing the Roadways therein prior to acceptance by the County with a 1" structural course of pavement. If the Developer exercises such option, then the Developer shall install a 1" wearing course using FDOT design mix and approved by the County on the Unit 1 Roadways prior to the one year warranty inspection or when Unit 1 is at 80% build-out whichever is sooner. For Unit 2, the Developer shall have the option of constructing the Roadways therein prior to acceptance by the County with a 1" structural course of pavement. If the Developer exercises such option, then the Unit 2 Roadways there is sooner. If the Developer exercises such option, then the Unit 2 Roadways prior to the two year warranty inspection or at the County's discretion.

2. REQUIRED IMPROVEMENTS BOND.

To secure the Developer's obligations to complete the Unit 1 Roadways, within (a) 365 days of the effective date of this Agreement, the Developer shall deliver to the County an improvements bond Unit 1(the "Required Improvements Bond 1"), issued by a nationally recognized surety authorized to do business in the State of Florida, in the principal amount of 115 percent of the value of the construction of Unit 1 totaling forty nine thousand five hundred thirty three and No/100 Dollars (\$49,533.00) in favor of the County as beneficiary. To secure the Developer's obligations to complete the Unit 2 Roadways, within 730 days of the effective date of this Agreement, the Developer shall deliver to the County an improvements bond Unit 2(the "Required Improvements Bond 2"), issued by a nationally recognized surety authorized to do business in the State of Florida, in the principal amount of 115 percent of the value of the construction of Unit 2 totaling seventy three thousand one hundred ninety five and No/100 Dollars (\$73,195.00), in favor of the County as beneficiary. The Required Improvements Bonds shall be issued with an automatic renewal clause. At least sixty (60) days prior to the renewal date, the Developer may submit to the County an updated cost estimate to insure the adequacy of the existing Required Improvements Bond, at which time the County may authorize a reduction in the principal balance of the Required Improvements Bond. This bond may either be an amendment to the original Required Improvements Bond or a new bond. If a new bond is posted, the original bond will be returned immediately upon the County's receipt of the new bond.

(b) The Required Improvements Bonds are to be furnished to secure the completion of Phase 1 & 2 as a guarantee against faulty workmanship, construction and materials, third party damage to curb and gutter, asphalt pavement and application of the 1" wearing course of asphalt paving during the term of this Agreement. The Required Improvements Bonds shall be submitted by the Developer to the County for approval and shall remain in force until released as specified below, but in no case less than 24 months (the "Bond Term"). If the County notifies the Developer of any defects or deficiencies with the Roadways and the Developer fails to timely correct any such deficiencies, the County may elect to undertake such repair or remedial action to correct such deficiencies during the term of this Agreement or the Bond Term, whichever is longer, and the cost for such will be drawn from the Required Improvements Bonds.

3. CERTIFICATES OF OCCUPANCY. During the term of this Agreement, for new single family residential homes being constructed within the Subdivision, the County shall issue a Certificate of Occupancy upon the Developer's completion of construction of any single family residential home in compliance with the County's Land Development Code and any other state and local laws, codes, rules and regulations in effect, if and only if the construction thereof has been completed in compliance with the County's Land Development Code, such other state and local laws, codes, rules and regulations in effect, including the Florida Building Code, and all permits issued thereunder.

4. SUBDIVISION COMPLETION / RELEASE OF BOND. Prior to the first year warranty inspection of the subdivision, the County, upon the Developer's request, will inspect the Unit 1 Roadways for corrective items and roadway repairs. The Developer shall then correct all deficiencies to the satisfaction of the County and apply the 1" wearing course of asphalt where required on the Roadways. Upon satisfactory inspection of the repairs and the 1" wearing course of asphalt, the Required Improvements Bond 1 shall be returned to the Developer. Prior to the second year warranty inspection of the subdivision, the County, upon the Developer's request, will inspect the Unit 2 Roadways for corrective items and roadway repairs. The Developer shall then correct all deficiencies to the satisfaction of the County and apply the 1" wearing course of asphalt, the Required Improvements and roadway repairs. The Developer's request, will inspect the Unit 2 Roadways for corrective items and roadway repairs. The Developer shall then correct all deficiencies to the satisfaction of the County and apply the 1" wearing course of asphalt where required on the Roadways. Upon satisfactory inspection of the repairs and the 1" wearing course of asphalt, the Required Improvements Bond 2 shall be returned to the Developer.

5. CONSTRUCTION REQUIREMENTS AND HOLD HARMLESS. All construction undertaken by the Developer or its subcontractors or other agents pursuant to the terms of this Agreement shall be performed diligently and continuously to conclusion and shall meet or exceed all requirements of the County. The Developer agrees to relieve, indemnify and defend the County and hold the County harmless from any and all injury to the persons or property of others, and against all suits and costs and all damages, including reasonable attorneys' fees, to which the County or any of its employees, officers, agents or servants may be put by reason of or resulting from any transfer, pledge, allocation or any other action whatsoever taken with regard to the performance under this Agreement or arising from any other act taken by the Developer or its subcontractors or other agents pursuant to the terms of or under this Agreement.

6. The County and the Developer have voluntarily entered into this Agreement in consideration of the benefits and the rights of the parties arising thereunder.

7. The failure of this Agreement to address a particular permit, condition, term or restriction shall not relieve the Developer of the necessity of compliance with the appropriate land development regulation or law governing such permitting requirements, conditions, terms or restrictions.

8. If the Developer fails to perform any obligations under this Agreement, the County may, in addition to any other remedy available at law or in equity, terminate this Agreement upon thirty (30) days prior written notice to the Developer.

9. The burdens and benefits of this Agreement shall be binding upon all parties to the Agreement, their successors in interest, or their assigns.

- 10. REPRESENTATIONS AND WARRANTIES.
  - (a) <u>Developer Representations</u>. The Developer represents that it has the authority to enter into and perform under this Agreement and that this Agreement constitutes the valid, binding and enforceable obligation of the Developer.
  - (b) <u>County Authority</u>. The County represents that it has the full power and authority to enter into and perform this Agreement in accord with its terms.

11. All notices, demands, requests or replies provided for or permitted by this Agreement shall be in writing and may be delivered by any one of the following methods: (a) by personal delivery; (b) by deposit with the United States Postal Service, postage prepaid, to the addresses stated below; (c) by prepaid telegram; or (d) by deposit with an overnight express delivery service. Notices deposited with the United States Postal Service. SUBJECT: Acceptance of the proposed hurricane shelter retrofit grant from the State of Florida Division of Emergency Management, comprising six facilities as described in the backup documentation attached hereto, totaling \$560,500.00, with no matching requirement. Funding Source: Revenue (L. Mock)

AGENDA ITEM TYPE:

## BACKGROUND INFORMATION:

Acceptance of these proposed grant funds will provide funding to conduct a combination of retrofits and a structural analysis on five county schools and one state college. This will aid in the creation of new shelter spaces and reinforcing and certifying existing shelter spaces in order to help eliminate the county's existing hurricane shelter deficit.

#### DIVISION OF EMERGENCY MANAGEMENT

RICK SCOTT Governor

BRYAN W. KOON Director

The Division of Emergency Management (division) is pleased to offer hurricane shelter retrofit (SR) grant funding to Clay County for the sites and projects listed above. The offer is based on recent survey work that identified the buildings as only needing retrofit (e.g., exterior fenestration and mechanical and electrical equipment protection) and limited civil and structural engineering analysis to meet the division's minimum hurricane shelter survey criteria: Standards for Hurricane Evacuation Shelter Selection (ARC 4496, January 2002). Buildings must be currently on the prioritized list of the 2016 Shelter Retrofit Report, or their inclusion is anticipated for the 2017 report. The initial funding Agreement's period of performance is through December, 2018.

Matching funds are not required for this grant. The funding agreement will be on a reimbursement basis. Eligible expenses may include but not limited to: management and administration of the grant (up to 5%), architectural and engineering services, construction management services (if needed), construction and related contractual services, envelope protection assemblies, systems and products, standby electrical system, material, labor, equipment, inspections, permitting and fees.

The recipient, or if applicable facility owner through inter-local agreement, agrees to maintain the assemblies, systems and products that are constructed or installed under the funding agreement in good repair and functional condition for the expected life of the work but not less than 15 years. The projects must also meet the ARC 4496 hurricane shelter selection guidelines upon completion of grant activities/scope-of-work.

Upon completion of the project, the facilities and respective new hurricane shelter space will be added to the statewide inventory of recognized ARC 4496 space. The inventory is published biennially in the Statewide Emergency Shelter Plan.

If you are interested in accepting the proposed grant, the division will need a recipient agency to be named (e.g., school district or local government agency) and a point of contact (i.e., name and contact information to be placed in the funding agreement).

If you are interested in the projects, please confirm with me by email. If possible, please respond with an acceptance or declining e-mail by May 1, 2017.

If you have any other questions or concerns just let me know.

Best regards, Pamela Phillips Senior Management Analyst I

#### First Amendment to Lease

This First Amendment to Lease Agreement #2013/2014-97 (this Instrument) is made and entered into as of the \_\_\_\_\_ day of \_\_\_\_\_\_, 2017, between Clay County, a political subdivision of the State of Florida (the County), and Northeast Florida Dressage Association Inc., a Florida not-for-profit corporation (NFDA).

#### Recitals

WHEREAS, the County and NFDA (the Parties) have entered into that certain lease agreement dated as of the 13<sup>th</sup> day of May, 2014, and designated by the County as Clay County Agreement/Contract No. 2013/2014-97 (the Lease); and

WHEREAS, the Parties have become aware that the name of the Lessee NFDA was incorrectly set forth in the Lease as North Florida Dressage Association; and

WHEREAS, the Parties desire to amend the Lease in order to properly set forth the name of the Lessee as Northeast Florida Dressage Association, Inc.

#### WITNESSETH

**IN CONSIDERATION OF** the foregoing Recitals, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Parties agree as follows:

- 1. The name of the Lessee as described in the Lease shall be changed from North Florida Dressage Association" to its proper name of "Northeast Florida Dressage Association, Inc."
- 2. Except as amended hereby, the Lease shall remain in full force and effect in accordance with its terms.

IN WITNESS WHEREOF, each of the parties hereto has caused this Instrument to have been executed on its behalf as of the day and year first above written.

#### SECOND RENEWAL AND SUPPLEMENT TO AGREEMENT/CONTRACT #14/15-117

This renewal and supplement to Agreement/Contract #14/15-117 entered into this \_\_\_\_\_\_day of \_\_\_\_\_\_, 2017, between CLAY COUNTY, a political subdivision of the State of Florida (hereinafter referred to as the "County"), by and through its Board of County Commissioners (hereinafter referred to as the "Board"), and YMCA of Florida's First Coast, Inc. (hereinafter referred to as the "Contractor"), whose address is, Barco Newton YMCA, 2075 Town Center Boulevard, Fleming Island, FL 32003.

WHEREAS, the parties entered into Agreement #14/15-117 on April 14, 2015, to provide for the management, operation, and maintenance of the swimming pool facility at Camp Chowenwaw Park, on behalf of the Division of Parks and Recreation, for the 2015 swimming season, a copy of said agreement is attached and made a part hereof (Attachment 4); and

WHEREAS, Section II. 2, of Agreement #14/15-117 provided the option for two (2) oneyear renewals upon agreement by both parties; and

WHEREAS, the parties entered into the first one year renewal on January 12, 2016; and

WHEREAS, the parties wish to exercise the Second Renewal, extending the agreement for services as described, for one additional year, to include the 2017 swimming season, which is detailed on the attached calendar (Attachment 1); and

WHEREAS, the County desires to execute this Second Renewal and Supplement Agreement to offer those additional recreational activities at the rates stated in Attachment 2, revised from the original agreement to clarify the rate for Instructor Fees and fees for private pool rentals. Within this Second Renewal, (Attachments 2 and 3) the original agreement is further amended to increase Aquatic Instruction Fees and add a cancellation fee.

WHEREAS, the County's Standard Addendum to All Contracts and Agreements is attached hereto and made a part hereof, as Exhibit A.

WHEREAS, the Contractor has certification attached as Exhibit B, certifying that the Contractor is not participating in a boycott of Israel, is not on the Scrutinized Companies with Activities in Sudan list, is not on the Scrutinized Companies with activities in the Iran Petroleum Energy Sector list, and does not have business operations in Cuba or Syria.

#### WITNESSETH

#### NOW, THEREFORE, the parties agree as follows:

- 1. The original agreement's term is extended for one year commencing April 25, 2017 and expiring April 24, 2018. Activities under this Second Renewal however, will take place between May 26, 2017 and September 30, 2017.
- 2. The Contractor shall provide the daily management, operation, and maintenance of the swimming pool at Camp Chowenwaw Park as provided for in Agreement #14/15-117 and as amended by the Attachments 1 3 to this Second Renewal Agreement.
- 3. The Contractor and the Board agree that the Contractor may, if funding becomes available to the Contractor, advertise and provide swim instruction for children of low income families at no cost to the participants or to the County. It shall be up to the discretion of the Contractor to schedule the no-cost lessons during any time the pool is otherwise open to the public.
- 4. In the event of a conflict between any of the conditions of this Second Renewal and its Attachments and the original agreement, (14/15-117) the provisions of this Second Renewal and its Attachments shall prevail over any other inconsistent provision.
- 5. In all other respects the original terms and conditions of the Agreement #14/15-117 which is attached hereto as Attachment 4 shall remain in full force and effect.

IN WITNESS WHEREOF, the parties hereto have caused this Current Agreement to be executed on their behalf by their duly authorized representatives, all as of the date and year first written above.

#### STANDARD ADDENDUM TO ALL CONTRACTS AND AGREEMENTS [General]

Any other provisions of the contract or agreement (the Agreement) to which this document is attached to the contrary notwithstanding, the provisions hereof take precedence over the provisions of the Agreement regardless of whether the matters addressed herein are also addressed in the Agreement, and shall be deemed an integral part of the Agreement as if set forth therein, having a force and effect of equal or superior dignity, as applicable, with the provisions thereof; provided, if provisions of the Agreement address a matter in a manner which results in a lower cost to the County than would prevail hereunder, then such provisions shall control and supersede the applicable provisions hereof. As used herein, the term "Contractor" means the vendor or other party to the Agreement providing construction, labor, materials, professional services, and/or equipment to the County thereunder; the term "County" means Clay County, a political subdivision of the State of Florida, its Board of County Commissioners, or any other name or label set forth in the Agreement identifying such entity; and the term "Parties" means the County and the Contractor together.

1. As used in this paragraph, the term "Act" means the Local Government Prompt Payment Act set forth in Part VII of Chapter 218, Florida Statutes; the term "Invoice" means a statement, invoice, bill, draw request or payment request submitted by the Contractor under the Agreement; the term "Manager" means the County Manager of the County; the term "Paying Agent" means the agent of the County to whom Invoices must be submitted if identified in the Agreement, or, if not so identified, the County's Finance Director; the term "Submittal Date" means, with respect to an Invoice, the submittal date thereof to the Paying Agent; and the term "Work" means the services rendered, or supplies, materials, equipment and the like constructed, delivered or installed under the Agreement. All payments for the Work shall be made by the County in accordance with the Act. Upon receipt of a proper Invoice, the County shall have the number of days provided in the Act in which to make payment.

(a) Promptly upon receipt of an Invoice submitted under this paragraph, the Paying Agent shall date stamp the same as received. Thereafter, the Paying Agent shall review the Invoice and may also review the Work as delivered, installed or performed to determine whether the quantity and quality of the Work is as represented in the Invoice and is as required by this Agreement. If the Paying Agent determines that the Invoice does not conform with the applicable requirements of the Agreement or this paragraph or that the Work within the scope of the Invoice has not been properly delivered, installed or performed in full accordance with the Agreement, the Paying Agent shall notify the Contractor in writing within 10 days after the improper Invoice is received that the Invoice is improper and indicate what corrective action on the part of the Contractor is needed to make the Invoice proper. The County shall pay each proper Invoice in accordance with the applicable provisions of the Act.

(b) By the submittal of an Invoice hereunder, the Contractor shall have been deemed to have warranted to the County that all Work for which payments have been previously received from the County shall be free and clear of liens, claims, security interests or other encumbrances in favor of the Contractor or any other person or entity for failure to make payment.

(c) The Parties will attempt to settle any payment dispute arising under this paragraph through consultation and a spirit of mutual cooperation. The dispute will be escalated to appropriate higherlevel managers of the Parties, if necessary. If the dispute remains unresolved within 30 calendar days following the Submittal Date, then the Paying Agent shall schedule a meeting with the Manager between the Contractor's representative and the Paying Agent, to be held no later 45 calendar days following the Submittal Date, and shall provide written notice to the Contractor regarding the date, time and place of the meeting no less than 7 calendar days prior thereto. At the meeting, the Contractor's representative and the Paying Agent shall submit to the Manager their respective positions regarding the dispute, including any testimony and documents in support thereof. The Manager shall issue a written decision resolving the dispute within 60 calendar days following the Submittal Date, and serve copies thereof on the Contractor's representative and the Paying Agent.

2. To the extent not otherwise expressly provided in the Agreement, any work or professional services subcontracted for by the Contractor for which the County has agreed to reimburse the Contractor shall not be marked-up, but shall be payable by the County only in the exact amount reasonably incurred by the Contractor. No other such subcontracted services shall be reimbursed.

3. To the extent not otherwise expressly provided in the Agreement, in the event the Agreement is for professional services, charged on a time basis, the County shall not be billed or invoiced for time spent traveling to and from the Contractor's offices or other points of dispatch of its subcontractors, employees, officers or agents in connection with the services being rendered.

4. To the extent not otherwise expressly provided in the Agreement, the County shall not be liable to reimburse the Contractor for any courier service, telephone, facsimile or postage charges incurred by the Contractor, except as follows, and then only in the exact amount incurred by the Contractor [if the space below is left blank then "NONE" is deemed to have been inserted therein]:

5. To the extent not otherwise expressly provided in the Agreement, the County shall not be liable to reimburse the Contractor for any copying expenses incurred by the Contractor except as follows, and then only at \$0.05 per page [if the space below is left blank then "NONE" is deemed to have been inserted therein]:

6. If and only if travel and per diem expenses are addressed in the Agreement in a manner which expressly provides for the County to reimburse the Contractor for the same, then the County shall reimburse the Contractor <u>only</u> for those travel and per diem expenses reasonably incurred and only in accordance with the provisions of Section 112.061, Florida Statutes. In the event the Contractor has need to utilize hotel accommodations or common carrier services, the County shall reimburse the Contractor for his, her or its reasonable expense incurred thereby provided prior approval of the Manager or his or her designee is obtained.

7. With respect to drawings and/or plans prepared on behalf of the County by the Contractor under the Agreement, unless specifically provided otherwise therein, complete sets of such drawings and/or plans shall be reproduced by the Contractor without cost to the County for all bidders requesting the same, and five complete sets of such drawings and/or plans shall be reproduced and delivered to the County without cost.

8. With respect to any indemnification by the County provided under the Agreement, any such indemnification shall be subject to and within the limitations set forth in Section 768.28, Florida Statutes, and to any other limitations, restrictions and prohibitions that may be provided by law, and shall not be deemed to operate as a waiver of the County's sovereign immunity.

9. In that the County is a governmental agency exempt from sales and use taxes, the County shall pay no such taxes, any other provisions of the Agreement to the contrary notwithstanding. The County shall provide proof of its exempt status upon reasonable request.

10. Any pre-printed provisions of the Agreement to the contrary notwithstanding, the same shall <u>not</u> automatically renew but shall be renewed only upon subsequent agreement of the Parties.

11. The Contractor acknowledges that in the budget for each fiscal year of the County during which the term of the Agreement is in effect a limited amount of funds are appropriated which are available to make payments arising under the Agreement. Any other provisions of the Agreement to the contrary notwithstanding, and pursuant to the provisions of Section 129.07, Florida Statutes, the maximum payment that the County is obligated to make under the Agreement from the budget of any fiscal year shall not exceed the appropriation for said fiscal year.

12. PUBLIC RECORDS LAW: The Contractor acknowledges the County's obligation under Art. 1, Section 24, Florida Constitution, and Chapter 119, Florida Statutes, as from time to time amended (together, the Public Records Laws), to release public records to members of the public upon request. The Contractor acknowledges that the County is required to comply with the Public Records Laws in the handling of the materials created under the Agreement and that the Public Records Laws control over any contrary terms in the Agreement. In accordance with the requirements of Section 119.0701, Florida Statutes, the Contractor covenants to comply with the Public Records Laws, and in particular to:

(a) Keep and maintain public records required by the County to perform the services required under the Agreement;

(b) Upon request from the County's custodian of public records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if the Contractor does not transfer the records to the County; and,

(d) Upon completion of the Agreement, transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records required by the County to perform the services. If the Contractor transfers all public records to the County upon completion of the Agreement, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Agreement, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County.

13. The Contractor's failure to comply with the requirements of paragraph 12 shall be deemed a material breach of the Agreement, for which the County may terminate the Agreement immediately upon written notice to the Contractor.

14. The Contractor acknowledges the provisions of Section 119.0701(3)(a), Florida Statutes, which, as applicable to the County and the Contractor, require as follows:

(a) A request to inspect or copy public records relating to the Agreement must be made directly to the County. If the County does not possess the requested records, the County shall immediately notify the Contractor of the request, and the Contractor must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

(b) If the Contractor does not comply with the County's request for records, the County shall enforce the contract provisions in accordance with the Agreement.

(c) If the Contractor fails to provide the public records to the County within a reasonable time, the Contractor may be subject to penalties under Section 119.10, Florida Statutes.

### 15. IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (904) 269-6352, <u>Ann.Mitchell@claycountygov.com</u>, POST OFFICE BOX 1366, GREEN COVE SPRINGS, FLORIDA 32043.

16. As used in this paragraph, the term "Statute" means Section 287.135, Florida Statutes; the term "Certification" means a certification submitted by the Contractor under subsection (5) of the Statute in connection with submitting a bid or proposal for the Agreement or entering into or renewing the Agreement; and the term "Qualified Contract" means a contract with the County for goods or services of \$1 million or more.

(a) If the Agreement is a Qualified Contract entered into or renewed on or before September 30, 2016, then the County shall have the option of terminating the Agreement if the Contractor:

(i) is found to have submitted a false Certification;

(ii) has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List as referred to in subsection (2) of the Statute; or,

(iii) has been engaged in business operations in Cuba or Syria as defined in subsection (1) of the Statute.

(b) If the Agreement is a Qualified Contract entered into or renewed on or after October 1, 2016, then the County shall have the option of terminating the Agreement if the Contractor:

(i) is found to have submitted a false Certification;

(ii) has been placed on the Scrutinized Companies that Boycott Israel List as referred to in subsection (2) of the Statute, or is engaged in a boycott of Israel as defined in subsection (1) of the Statute;

(iii) has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List as referred to in subsection (2) of the Statute; or,

(iv) has been engaged in business operations in Cuba or Syria as defined in subsection (1) of the Statute.

### AGREEMENT #14/15- <u>//7</u> SWIMMING POOL MANAGEMENT AND LIFEGUARD STAFFING (CAMP CHOWENWAW)

This Agreement is entered into as of the H day of <u>HQY1</u> 2015, between CLAY COUNTY, a political subdivision of the State of Florida (hereinafter referred to as the "County"), by and through its Board of County Commissioners (hereinafter referred to as the "Board"), and YMCA of Florida's First Coast (hereinafter referred to as the "Contractor"), whose address is, Barco Newton YMCA, 2075 Town Center Boulevard, Fleming Island, FL 32003

WHEREAS, Clay County intends to provide for the management, operation, and maintenance of the swimming pool facility at Camp Chowenwaw Park, on behalf of the Division of Parks, Recreation and Special Events, as defined in the (RFP) #14/15-20 "Swimming Pool Management & Lifeguard Staffing" including all addendums and clarifications issued; and

WHEREAS, the Contractor is licensed and gualified to provide professional services in the field of swimming pool management and operation; and

WHEREAS, Request for Proposals #14/15-20 and the Contractor's Proposal response is incorporated by reference and made a part hereof as Exhibit A; and

WHEREAS, this Agreement is subject to that certain Standard Addendum to All Contracts which is attached hereto and made a part hereof; and

WHEREAS, it has been determined that the execution of this Agreement is beneficial to the people of Clay County, Florida.

NOW THEREFORE, for and in consideration of the mutual promises and covenants hereinafter set forth and for other good and valuable consideration, the receipt, adequacy, and sufficiency of which are hereby acknowledged, the parties agree as follows:

#### I. BRIEF DESCRIPTION OF THE PROJECT

Work shall consist of the daily management, operation, and maintenance of the swimming pool at Camp Chowenwaw Park, Clay County, Florida, plus all other associated and allied miscellaneous tasks as defined in this Agreement, and as directed by the Park Ranger or Designee, and as outlined further in the Request for Proposals #14/15-20, along with all other details necessary to give effect to the manifest intent set forth in the referenced RFP #14/15-20.

#### II. TERM OF CONTRACT

- 1. The term of this Agreement shall be for a period commencing on 2 May 2015, and continuing through 27 September 2015, unless otherwise stipulated in the Notice of Award Letter and contingent upon the completion and submittal of all required pre-award documents. The foregoing period shall be regarded as the first year of the Agreement. The Contractor further agrees to provide additional services that the County may desire, and which shall be mutually negotiated regarding scope, timing, and fees, and described by written amendments to this Agreement.
- 2. The Agreement period will run one (1) year with an option for two (2) one (1) year renewals. Prior to, or upon completion, of the initial one year term of the Agreement, the County shall have the option to renew the agreement for an additional two (2) one (1) year periods. Prior to completion of each exercised Agreement term, the County may consider an adjustment to prices based on changes in the following pricing index: Consumer Price Index (CPI), as provided by Southern Urban Index.

#### III. COMPENSATION AND METHOD OF PAYMENT

I. Price and payment will be full compensation for all services specified, including all labor, at the hourly rate of \$60.00 for open swimming and \$35.00 for routine maintenance as indicated in the Contractor's proposal (Exhibit A). In the event the Contractor has utilized Subcontractors for suppliers for materials, release of liens from the Subcontractors and any suppliers shall be required before payment will be released. For purposes of calculating the hourly rate due the Contractor, in the event the pool is closed to the public part of a day, an hourly rate will be assessed to compensate the contractor for the actual hours worked.

1

- 2. The Park Ranger will be responsible for all pool maintenance to include any and all necessary pool chemicals, cleaning, and general maintenance up to opening of the swimming pool. After such time the Contractor will assume the responsibility for the maintenance and upkeep of the pool, minus any necessary pool chemicals. Pool maintenance will return to the Park Ranger once the season is over. The Contractor does hereby agree that any items purchased by its staff for the maintenance of the swimming pool will be done so at its sole expense with no compensation due from the Board.
- 3. The Contractor agrees that it will present the Park Ranger either by email or fax, a breakdown of the fees collected from each week's activity within 5 business days from said week's activity. The report must include the days of service, number of participants per day, the fees charged for participants by age group, any fees collected for groups and parties and any pool closures.
- 4. The Agreement requires that the Contractor submit an invoice and the above mentioned weekly collection reports to the Board by the end of each operating month. The Agreement acknowledges that inclement weather would result in the closure of the Swimming Pool.
- 5. The Contractor shall notify the Park Ranger and Parks, Recreation and Special Events Coordinator immediately when the pool is deemed unsafe for usage.
- 6. All invoices shall contain the Agreement and/or purchase order number, date and location of delivery or service, and confirmation of acceptance of the goods or services by the appropriate County representative. Failure to submit invoices in the prescribed manner will delay payment, and the vendor may be considered in default of the Agreement and its Agreement may be terminated. Payments shall be tendered in accordance with the Local Government Prompt Payment Act.
- 7. The signature of the Contractor on any invoice submittal shall constitute the Contractor's certification to the County that (a) the Contractor has billed the County for all services rendered by it and any of the Contractor's consultants and subcontractors through the date of the invoice; (b) as of the date of the invoice, no other outstanding amounts are due from the County to the Contractor for services rendered; (c) that the amount requested is currently due and owing. Such invoice(s) shall be prepared by the Contractor and any supporting data as may be required by the County representative.
- 8. By acceptance of County's payment of the invoiced amount, the Contractor releases the County from any and all claims by the Contractor and by subcontractors for services performed but not invoiced during the period for which payment was received.

9. Additional aquatic services may be provided to the public as discussed in the RFP and Bid Proposal. The County reserves the right to negotiate these services, including fees. It is anticipated that the Management Facilitator will retain the fees collected from such activities but will, however, by a negotiated method reimburse the County for use of the pool. The County reserves the right to negotiate any and all terms related to additional activity services at the time such services are requested. Additional Services shall not interfere with normal pool operations. The County reserves the right to request that these additional services be terminated or rescheduled at a time that both the County and YMCA agree will accommodate those desiring these additional services.

#### IV. COUNTY REPRESENTATIVE

The services provided shall be under the direction of the authorized County representative, who shall be the Park Ranger or his/her designated representative, who shall have final decision authority on behalf of the County for all aspects of any project, including general direction, review and approval of the services provided.

#### V. INSURANCE

The Contractor shall maintain insurance coverage as specified in RFP #14/15-20, which said RFP #14/15-20 is incorporated by reference and made a part hereof. An insurance certificate consistent with the provisions of RFP #14/15-20 shall be provided to the County prior to the issuance of the Notice to Proceed and commencement of any work.

#### VI. <u>CHOICE OF LAW/FORUM</u>

The County and Contractor both expressly agree that the terms and conditions hereof, and the subsequent performance hereunder, shall be construed and controlled exclusively in accordance with the laws of the State of Florida, that jurisdiction shall be limited to the courts of the State of Florida, and that venue shall lie exclusively in Clay County, Florida.

In the event either party shall retain an attorney to litigate on its behalf against the other party regarding the enforcement or interpretation of the Agreement or regarding the rights, remedies, obligations or liabilities of the parties arising under this Agreement, the party prevailing on the majority of its claims, or which successfully defends against a majority of the other party's claims, shall be entitled to an award of reasonable attorney's fees and costs against the other party, including fees and costs incurred from the date of referral of the dispute to the prevailing party's attorney through the conclusion of litigation, or incurred in bankruptcy or on appeal.

### VII. INDEMNIFICATION STATEMENT

The YMCA of Florida's First Coast, Inc. agrees to defend, protect, indemnify and hold harmless the County and all its principals, employees, officers, agents and servant liabilities and costs and all damages, including reasonable attorney's fees and court costs, asserted against the Indemnities or any of them by reason of injury to the persons or property of others which is caused by the fault, acts, omissions or comparative negligence, whether active or passive, attributable to The YMCA of Florida's First Coast, Inc., in the performance of its duties and obligations under this Agreement, or to any of the employees, officers, agents or servants, or to any subcontractor of The YMCA of Florida's First Coast, Inc. The YMCA of Florida's First Coast, Inc., obligations under this paragraph shall also apply to actions by third parties performed on behalf of The YMCA of Florida's First Coast, Inc. pursuant to this Agreement.

#### VIII. <u>FORCE MAJEURE</u>

The parties will exercise every reasonable effort to meet their respective obligations hereunder, but shall not be liable for delays resulting from force majeure or other causes beyond their reasonable control, including, but not limited to, compliance with any Government law or regulation, acts of nature, acts or omissions of the other party, Government acts or omissions, fires, strikes, national disasters, wars, riots, transportation problems and/or any other cause whatsoever beyond the reasonable control of the parties: Any such cause will extend the performance of the delayed obligation to the extent of the delay so incurred.

#### IV. PUBLIC RECORDS LAW

The Contractor (as used herein, the term "Contractor" means the vendor or other party in the Agreement or Contract providing construction, labor, materials, professional services, and/or equipment to the County hereunder; the term "County" means Clay County, a political subdivision of the State of Florida, its Board of County Commissioners, or any other name or label set forth in the Agreement or Contract identifying such entity), acknowledges the County's obligation under Art. 1, Section 24, Florida Constitution, and Chapter 119, Florida Statutes, as from time to time amended (together, the Public Records Laws), to release public records to members of the public upon request. The Contractor acknowledges that the County is required to comply with the Public Records Laws in the handling of the materials created under this Agreement or Contract and that the Public Records Laws control over any contrary terms in this Agreement or Contract. In accordance with the requirements of Section 119.0701, Florida Statutes, the Contractor covenants to comply with Public Records Laws, and in particular to:

- (a) Keep and maintain public records that ordinarily and necessarily would be required by the County in order to perform the services required under this Agreement or Contract;
- (b) Provide the public with access to public records on the same terms and conditions that the County would provide the records and at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law;
- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law; and,
- (d) Meet all requirements for retaining public records and transfer, at no cost, to the County all public records in possession of the Contractor upon termination of the Agreement or Contract and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the County in a format that is compatible with the information technology systems of the County.

Failure to comply with this section shall be deemed a material breach of this Agreement or Contract, for which the County may terminate this Agreement or Contract immediately upon written notice to the Contractor.

#### X. <u>TERMINATION</u>

The County may terminate this Agreement for its convenience. In this event, the Contractor shall be compensated for work satisfactorily completed and for irrevocable commitments made.

#### XI. GENERAL CONDITION

This Agreement constitutes the entire agreement between the County and the Contractor and supersedes all prior written or oral understandings between the parties. This Agreement may only be amended, supplemented, or modified by a written instrument signed by authorized representatives of each party.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on their behalf by their duly authorized representatives, all as of the date and year first written above.

#### RECITALS

On May 1, 2013, a BILLING AND CLAIMS MANAGEMENT AGREEMENT, Agreement #12/13-112, was entered into between Fidelis EMS Billing, LLC and Clay County(the "Agreement").

On December 31, 2015, the Agreement was assigned by Fidelis EMS Billing, LLC to Credit Bureau Systems, Inc.

The Agreement was for a term of three years, May 1, 2013 to April 30, 2016, and then an automatic renewal for a successive one year period to April 30, 2017.

The parties hereto would like to extend the Agreement for an additional 6 month period, from May 1, 2017 to October 31, 2017.

Accordingly, the parties hereto agree to this Addendum to the Agreement as follows:

- 1. The Agreement is hereby amended by this Addendum to extend the term of the Agreement by six (6) months, from May 1, 2017 to October 31, 2017. The Agreement shall thereafter terminate effective as of midnight October 31, 2017.
- 2. As provided for in the Agreement, the proposed contingency rate shall be 4.65% of all net collected revenue.
- 3. All other terms, conditions, promises, and covenants contained in the Agreement not amended herein shall continue to apply as originally written and agreed upon.

For and in consideration of the agreements set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, CLIENT and CONTRACTOR hereby enter into this Addendum as of April 25, 2017.

### CLAY COUNTY RESOLUTION 16/17-

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF CLAY COUNTY, FLORIDA, AMENDING SECTION II OF TABLE 1 COMPRISING NON-CAPITAL IMPROVEMENT ELEMENT IMPROVEMENTS; PROVIDING AN EFFECTIVE DATE.

#### Recitals

**WHEREAS**, The Table attached and incorporated herein as Exhibit A entitled "Clay County Capital Improvements," hereinafter referred to as "Table 1", contains CIE improvements in Section I and Non-CIE improvements in Section II, and changes to each type of improvement are accomplished in a different manner; and,

**WHEREAS** Amendments to the list of Non-CIE improvements in Section II of Table 1 may be accomplished by resolution; and

WHEREAS, When additions or deletions are made to Section II of Table 1, then changes must be made to Table 2 attached and incorporated herein as Exhibit B, and entitled "Clay County Capital Program Revenue Sources", to reflect and be consistent with the changes in Section II of Table 1; and,

**WHEREAS**, It is necessary to make changes to Section II of Table 1 by resolution.

Be It Resolved by the Board of County Commissioners of Clay County:

#### Section 1

Section II of Table 1 as depicted in Exhibit A attached hereto and incorporated herein is amended to make necessary changes as directed by the Clay County Board of County Commissioners.

#### Section 2.

Table 2 as depicted in Exhibit B which is attached hereto and incorporated by reference herein is amended to make it consistent with Table 1.

#### Section 3.

With respect to the Tables referenced in <u>Section 1</u> above, the legal effect of this Resolution is that upon its effective date:

- (A) Funds for capital projects identified in the Tables shall only be expended consistent therewith; and,
- (B) To the extent that corrections, updates, and modifications concerning costs, revenue sources, acceptance of facilities pursuant to dedications which are inconsistent with the Tables, or a change in the date of construction of the capital projects identified in the Tables are proposed, such may only be implemented by amendment hereto.
- (C) Nothing in this Resolution shall have any effect on the improvements listed in Section I of Table 1. This Resolution shall be construed only to amend Section II of Table 1.

Section 4.

This resolution shall take effect immediately upon its adoption.

**DULY ADOPTED**, by the Board of County Commissioners, Clay County, Florida, this 25th day of April 2017.
